AMELIA A. MCNAMARA

amelia.mcnamara@stat.ucla.edu ⋄ www.stat.ucla.edu/∼amelia.mcnamara

EDUCATION

University of California - Los Angeles, Los Angeles, CA — Ph.D. candidate
Field: Statistics — GPA 3.90

Honors: Chancellor's Prize Summer Fellowship (2010-2011),
National Science Foundation Graduate Research Fellowship Program Honorable Mention (2012)

Macalester College, St. Paul, MN — B.A. May 2010
Majors: Mathematics, English — GPA 3.63

Honors: *Cum laude* honors (2010), Dean's List (Fall 2008, Spring 2009, Spring 2010), Alliss Scholarship (2007-2010), Xcel Energy Foundation Scholarship (2009-2010), Konhauser Prize for Mathematical Achievement (2010)

University of Cincinnati, Cincinnati, OH — 2006-2007
College: Design, Architecture, Art and Planning (DAAP) — GPA 3.80

Honors: UC|21 Scholar, National Merit Scholar

RESEARCH

Viewpoints Research Institute, Glendale, CA — 2013-present
Intern, Communications Design Group

· Work with VPRI team to conceptualize new tools for collaborative work
· Develop R code and packages
· Director: Alan Kay

Center for Embedded Network Sensing, Los Angeles, CA — 2011-present
Graduate Student Researcher, Mobilize Project

· Develop curriculum to be deployed in LAUSD public schools
· Train teachers on basic statistical concepts, use of inquiry in teaching, and basic statistical software
· Advisor: Mark Hansen

Macalester College, St. Paul, MN — Summers 2009, 2010
Undergraduate Researcher, XMAC lab

· Performed numerical analysis of Turing patterns
· Advisor: Chad Topaz
· Coauthored paper: A. Catllá, A. McNamara, and C.M. Topaz. Instabilities and patterns in coupled reaction-diffusion layers, Phys. Rev. E 85 (2) (2012) 026215.

Institute for Mathematics and its Applications, Minneapolis, MN — Summer 2009
REU Participant

· Participated in a National Science Foundation Research Experience for Undergraduates (REU)
· Studied a model and optimization for organic photovoltaic cells
· Advisors: Fadil Santosa, Tsvetanka Sendova

EMPLOYMENT

UCLA Statistics Department, Los Angeles, CA 2013-present
Statistics Teaching Assistant
· Led weekly discussion section for students
· Held twice-weekly office hours
· Assisted students' statistics and R learning
· Graded exams and homework

Macalester College Math Department, St. Paul, MN 2009-2010
Applied Calculus Preceptor
· Held weekly office hours
· Taught students calculus and R skills
· Graded homework and projects

Hamline University, St. Paul, MN 2008-2010
MathMasters Tutor
· Tutored groups of ninth-grade students who were in danger of failing basic standard math exams
· Material covered was algebra and geometry
· Tailored work to individual students

SKILLS

Language	Conversational in Spanish
Design	Adobe suite (Illustrator, InDesign, etc.), HTML and CSS
Office	Microsoft Office suite, copy editing, proofreading
Technical Software	Matlab, Mathematica, R, Comsol, ArcGIS, Python, LaTeX, JavaScript

PUBLICATIONS

McNamara, A. and Hansen, M. **Teaching Data Science to Teenagers.** *Proceedings of the 9th International Conference on Teaching Statistics.* (submitted 2014).

McNamara, A. **Dynamic Documents with R and knitr** (book review). *Journal of Statistical Software,* Vol. 56, Book Review 2. (2014).

Catllá, A.J., McNamara, A. and Topaz, C. M. **Instabilities and Patterns in Coupled Reaction-Diffusion Layers.** *Physical Review E,* Vol. 85, Issue 2. (2012).

PRESENTATIONS

Teaching Data Science to Teenagers (invited talk, with M. Hansen) July 2014
International Conference on Teaching Statistics *Flagstaff, AZ*

Data Visualization on the Soul of the Community August 2013
Joint Statistical Meetings *Montreal, QC*

Mobilize Project (oral, with J. Margolis and L. Trusela) January 2012
Math Science Partnership Learning Network Conference *Washington, DC*

Model and Optimization of Organic Photovoltaic Cells January 2010
Joint Meeting of AMS and MAA *San Francisco, CA*

Model and Optimization of Organic Photovoltaic Cells November 2009
Undergraduate Research Symposium, University of Chicago *Chicago, IL*

Model and Optimization of Organic Photovoltaic Cells October 2009
Macalester College *St. Paul, MN*

Model and Optimization of Organic Photovoltaic Cells July 2009
Institute for Mathematics and its Applications *Minneapolis, MN*

ADDITIONAL CONFERENCES AND WORKSHOPS ATTENDED

Eyeo Festival June 2013
Converge to Inspire *Minneapolis, MN*

Computation + Journalism Symposium January 2013
2^{nd} Symposium on Computation + Journalism *Atlanta, GA*

Math Science Partnership Learning Network Conference January 2013
Implementation: From Vision to Impact *Washington, DC*

Interface Symposium: Future of Statistical Computing May 2012
Internet Scale Data, Flexible Modeling, and Visualization *Houston, TX*

Math Science Partnership Learning Network Conference January 2012
Framing Effective Teaching in STEM *Washington, DC*

Workshop at the Statistical and Applied Mathematical Sciences Institute October 2009
Space-Time Analysis for Environmental Mapping, Epidemiology and Climate Change *Durham, NC*

Workshop at the University of California, Berkeley Summer 2009
Explorations in Statistics Research *Berkeley, CA*

SERVICE TO DEPARTMENT, PROFESSION AND COLLEGE

Planning member, useR! conference organizing committee 2013-present
Assisted in planning and executing an international conference with hundreds of participants

Planning member, UCLA Statistics Department DataFest 2012-present
Assisted in planning and executing the annual DataFest weekend-long event for undergraduates.

Tour Coordinator, UCLA Graduate Student Orientation Planning Committee 2012-2013
Organized volunteer tour guides, prepared tour materials and checked routes. As a member of the committee, discussed general issues.

Voting Member, UCLA Graduate Resource Center Oversight Committee 2011-2012
Assisted in developing new strategic plan for UCLA's graduate resource center

Voting Member, Macalester College Honorary Degree Committee 2010
Assisted in the determination of honorary degree recipients from the college

Voting member, Macalester College Financial Affairs Commission (FAC) 2009-2010
The FAC is responsible for maintaining the student government's $100,000 yearly budget

Department Liaison, Macalester College Math Department 2008-2009
Participated in monthly department meetings, provided students' perspectives to faculty

MEMBERSHIPS IN PROFESSIONAL SOCIETIES

WNAR: International Biometric Society (WNAR) 2013-present

American Statistical Association (ASA) 2012-present

Society for Industrial and Applied Mathematics (SIAM) 2012-present

Association for Women in Mathematics (AWM) 2008-2010
